We promote

- Inclusion
- Cooperation
- Operating conditions
- Networks
- of Entrepreneurs with disabilities

VamY

Networks are essential

- Entrepreneurs with disabilities need networks like all entrepreneurs
- Start-up entrepreneurs benefit from the support of more experienced entrepreneurs

We as well promote

- Disability entrepreneurship as a form of employment
- Benefits for entrepreneurs with disabilities

We aim to

- Identify the special support needs of entrepreneurs with disabilities
- Take them into account in society

VamY aim's to improve

Business support practices for
entrepreneurs with disabilities in
municipalities, e.g.

personal assistance

transport services
